Relief From Curse Of Constipation

A Battle Creek physician says, "Constipation is responsible for more misery than any other cause." But immediate relief has been found. A tablet called Rexall Orderlies has been discovered. This tablet attracts water from the system into the lazy, dry, evacuating bowel called the colon. The water loosens the dry food waste and causes a gentle, thorough, natural movement without forming a habit or ever increasing the dose.

Stop suffering from constipation. Chew a Rexall Orderly at night. Next day bright. Get 24 for 25c today at the nearest Rexall Drug Store, Dolley Drug Co.—Adv.

BOTH OF 'EM RAN

BAKER, Ore. (UP)—Mrs. Bertha Burtis asked her police captors permission to bathe. Both Bertha and the water ran. Noise of the running water covered her escape through a window.

FIREMEN TO RESCUE

EUGENE, Ore. (UP)—Two fire engines answered an alarm, smoke voluminously issued from a building. Rushing in they discovered a careless cook had left a roast too long on the hearth.

Political Pot Is Being Stirred By All Contestants

By the United Press

SACRAMENTO.—With the general election little more than a week away, persons active for and against the various measures have suddenly sprung into action. Judging from the size of mail pouches these days, most of them decided to wait until the last minute to fire their barrages of propaganda.

On the other hand, the split on the Democratic state ticket has sent Milton K. Young, candidate for governor, and Martin J. Welsh, candidate for lieutenant governor, on widely separated ways into many parts of the state.

McAdoo Supports Young
And William Gibbs McAdoo, cabinet member in the administration of the late President Woodrow Wilson, has pledged his support to Young for his stand on the prohibition law.

Here are two new rumors floating about the capitol:
Friend W. Richardson, former governor, would accept the plum marked "state superintendent of banks" if offered to him by James Rolph, Jr., after the retirement of Will C. Wood.
Will J. Marsh, whose newspaper, the Riverside Enterprise, was recently sold, may step back into his old job as chief of the state division of motor vehicles, a position now held by Frank G. Snook. Or, he may become state printer.

Fess Quits; Pioneer Grocer To Close Out All Goods At Cost; Sale Opens Tomorrow At 9 A.M.

On another page of this issue is a full page advertisement announcing the Going Out of Business Sale of the Fess Grocery and Meat Market, 1321 Sartori avenue. This begins tomorrow morning the closing chapter of the first grocery store in Torrance and the well-earned retirement of John H. Fess and Mrs. Fess.

John H. Fess

Torrance in those days on the fingers of your hands. They were Hurm; Reeve, O'Lea Mikelson, Dolley Drug Company, Jake Isenstein, Sam Rapaport, and Jones, the butcher, who shared the store with the Fesses. Six stores in all, Torrance now boasts of over 125 stores.

Throughout these 11 years of active business, John Fess has been active in practically every civic organization and has helped materially to develop this city as a greater trading center and make it a better and larger community. Mr. Fess has been especially active

present city volunteer fire department, which he joined over 12 years ago.

Sale Starts Tomorrow
A store wide sale starts tomorrow morning, in which the entire stock of high grade groceries and meats will be sold at cost and less in order to effect an immediate close-out. Many of the best known brands of food stuffs are offered at sacrifice prices. Fess has always handled an extensive stock of Newark brand canned goods and these as well as all other food products in his exceptionally fine stock of groceries

Rolph Is Now at Work on Budget; To Last 2 Years

Friends of Next Governor Say Cost Sheet Will Follow Young's

SACRAMENTO. (UP)—With all indications pointing to a continuance of Governor Young's policy of long-time planning for California's public institutions, the 1931-32 state budget is now being prepared for James Rolph, Jr., the state's next governor. The budget is under direction of Lyman M. King, director of finance, and will be trimmed down by hearings with departmental heads, just as if Governor Young were continuing in office.

Close advisers of Mayor Rolph say that his budget will follow closely that of Governor Young, which aggregated \$244,000,000.

Will Be in Sections
It will be segregated into three sections—the general budget, the educational budget and the highway budget. Governor Young adopted this plan to show that only 27 per cent of the state expenditures come under control of the governor. The remaining 73 per cent is made up of fixed charges, comprising items voted by the legislature or the people.

Four purposes were intended by the 10-year building program. To provide for additional capacity for normal increase in institutional population, for present excess population over capacity, to replace structures now obsolete or otherwise unfit, and additional capacity for population now legally entitled to admission but refused because of inadequate space.

'Safety' Topic of P. T. A. Address

Elementary Group To Meet Tuesday Afternoon

E. V. Young, of the Safety division of the Southern California Automobile club, will be the principal speaker at the meeting of the Parent Teachers Association at the Elementary school here Tuesday afternoon at 2 o'clock. Young will talk on "Safety," stressing its importance in safeguarding the lives of school children at crossings.

Following his address, the children of the school will present a Halloween program.

The parents are asked to visit their children's school rooms for 15 minutes before the program begins. After the program an informal social hour will be held for a social half-hour by the teachers and the parents.

BAZAAR AND DINNER
Remember the Lutheran Ladies' bazaar and baked ham dinner, Friday, October 24, at the parish hall, corner of Acacia and Sonoma. Dinner served from 5 to 8 p.m.

also offered at reductions ranging from 20 to 50 per cent from current retail prices. The store fixtures are also offered for sale. As this is a close-out sale, there will be no restrictions on quantity buying. Customers will be welcome to buy as large quantities as they desire, and the rule of "first come, first served" will govern the sale until all the stock has been sold. All sales will be strictly cash, and orders of five dollars or over will be delivered without charge.

Mr. Fess states that he has not yet decided what he will do in the future, but that he will first take an extended rest.
